

KARAN SINGH

Mechanical Engineering Graduate

Bengaluru, Karnataka | karan.singh@example.com | +91-90000-10003

PROFESSIONAL SUMMARY

Mechanical engineering graduate with academic experience in CAD, manufacturing processes and basic programming. Interested in defence engineering and technical problem solving.

TECHNICAL SKILLS

Python (Basic), MATLAB, AutoCAD, SolidWorks, C (Basic), Excel, Engineering Drawing, Manufacturing Processes, Thermodynamics

EDUCATION

B.E. Mechanical Engineering — Western Institute of Engineering, 2025 | CGPA: 8.1/10

EXPERIENCE

Graduate Engineering Trainee — Precision Components Ltd. | 2025–Present

Assisted with production documentation, inspection reports and process measurements; participated in root-cause analysis for recurring manufacturing defects.

PROJECTS

Mechanical Assembly Design

Designed a compact mechanical assembly in SolidWorks and prepared manufacturing drawings.

Predictive Maintenance Mini Project

Used MATLAB and basic Python to analyze machine-vibration data and identify threshold-based anomaly patterns.

Fictional sample resume for testing an interview system; not an actual DRDO applicant or employee.
